銀之丞じゃない、俺は銀二と契りたいんだっ！

"I want to do it with Ginji, not with Ginnojou!"

The person whom Aiba Miso loves, is an Onnagata in Naishuu Engeki, named Yumedono Ginnojou. He fell in love when he saw this person on stage, believing him to be a girl. Thus, when the plain Osato Ginji is transferred to his school, he fails to recognize him as his much-admired Ginnojou. However, Ginnojou finds love, becomes even more enthralling and makes a big break in a commercial. A long-distance relationship, a frustrating love... Complications turn these two people into adults!

In addition to the title series, also included is a hard, love story, where East meets West on the streets of New York!
